*Keeping the moments
I love.*

Into the clouds.

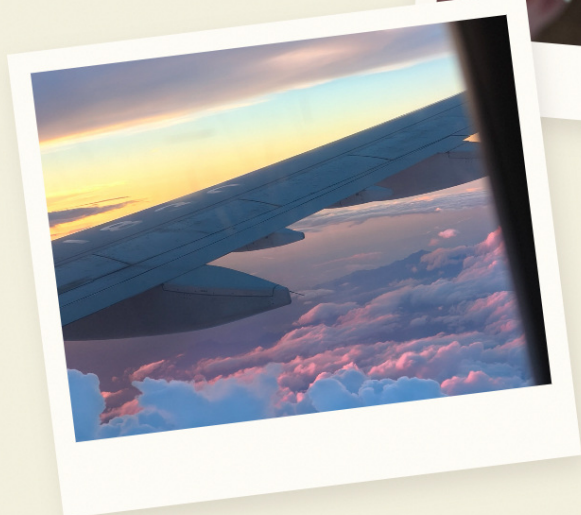

Just the right breeze.

This shade of blue.

COLOURS ALONG THE WAY

*Flowers in
the breeze.*

One more look.

Everyday little moments

A little playful today.

Keeping this one, too.

STAY A LITTLE

Let time slow down.

Something sweet, today.

Stay awhile

Something sweet.

A little chat.

No rush.

A page for sweet things.

A softer moment.

*I like this
side of me, too.*

A new look, a new mood.

Colour looks good on me.

A FEW FAVOURITES

Little treasures

*Bows, bears,
and a favourite flower.*

The charm of everyday things.

*A little breeze,
between the pages.*

MORE DAYS TO COME

More moments to come.
